

CONFIDENTIAL

LOG NOTE - Chief, Production Group - 22 January 1974

1. [redacted] called to say that OLC had briefed the Agency oversight committees about the JPRS surfacing on 4 February. All went smoothly. The only upshot was that one Congressman requested a representative sampling of JPRS publications. Chief, JPRS will send me some for forwarding to Kelso. (cc: O/Director; Chief/JPRS; JPRS Surfacing file)
